

Peace Day

Hope in ending the gun violence since 2010

Every year, every month someone loses their life to a senseless act of violence which shakes a community to its very core. Murder does not discriminate, any age, any race or religion, and of any social class. Many people know this but it feels different when someone you love is murdered. For us that was the loss of our dear brother J'Saun Slayton.

Peace Day is an event for the community to take a unified stand against gun violence in the city of Akron. As a united front, we remember those who lost their lives, honor those who serve us, and celebrate the positivity that surrounds us. Peace Day 2013 was a great success but we could not have done any of this without the financial support and sponsorship from businesses and organizations like yours.

The Annual Peace Day event will be held on Saturday August 2, 2014 from 1-3pm at Reservoir Park and Community Center 1735 Hillside Terrace Akron, OH 44305

This is a community event that is free and open to the public and we will be having a free school supply give away. Last year we distributed around **500** free book bags and school supplies to the community but this year we are looking to give out over **800!** With your support we can reach this goal! You can help us meet our financial goal by supporting us as a contributor.

Suggested levels are as follows:
